March 15, 2021

The Honorable Mayor Dana Hilliard and City Council Members Somersworth City Hall One Government Way Somersworth, NH 03878

Dear Mayor Hilliard and City Council Members:

Introduction

In accordance with Article VII of the City Charter, I respectfully submit for your consideration a Proposed Budget for the Fiscal Year 2021-2022. Article VII requires that a budget and budget message be presented to the Council on or before the 15th day of March for the ensuing Fiscal Year. The intent of the budget message, according to Article VII, is to describe the important features of the budget and indicate any major changes for the current year in financial policies, expenditures, and revenues together with the reasons for such changes. The budget message is also intended to summarize the City's debt position and include other information that will assist the Council in understanding the budget as a whole.

As required, the Fiscal Year 2021-2022 budget submission complies with section 7.4.1 of the City Charter, <u>Limitation on Budget Increase</u>, more commonly referred to as the "Tax Cap". This year's budget proposal is limited to a maximum increase in real estate tax revenue of **\$1,097,730**. The budget I am presenting for your consideration is estimated to increase real estate tax revenue by **\$1,080,149**, slightly less than that allowed under this section of the City Charter. The estimated real estate revenue below the tax cap is due to the County budget, which at this time we are estimating to be below the tax cap by **\$17,581**. However, we don't receive a final number until tax rate setting time, so it seems prudent to allow for some flexibility until we receive the final numbers. A detailed analysis of this calculation has been provided in the "Financial Overview" section of the budget document on pages B-1 and B-2.

Budget Consideration and Challenges

As this year's budget submittal is being developed, I can't help but reflect on what the City, as well as the entire world, has gone through during this global pandemic. Government officials at every level of government are concerned about the financial impact that this pandemic may have on the operations of the public sector.

At the local level we are always concerned about the loss of revenue, and the possibility of downshifting of costs from the State and Federal Governments. In Somersworth, we haven't seen any dramatic decreases in revenue, but have been impacted in a couple areas.

Our ability to raise revenue through the investment of excess funds has been greatly diminished due to the reduction in interest rates as a result of the pandemic. Approximately one year ago we were seeing rates of over 2% on our investment, that has decreased down to .2%.

Other revenues immediately impacted by the pandemic were certain departmental charges for service simply because the City could not offer the services. An obvious example are Recreation fees, lost because of limits placed on programming due to the pandemic. However, without the programming, the City wasn't incurring any expenses that go along with providing the programming, so the immediate impact is essentially a *wash*.

For the development of this budget, I have adjusted specific estimated revenue based on current results. Furthermore, I have reduced the estimated revenue received from the State for "Rooms and Meals Tax" by 25%. In response to this, I am recommending the City increase the use of fund balance from \$800,000 to \$1,050,000. Should the State decide to meet the current year's funding for Rooms and Meals or provide additional funding for Revenue Sharing as they have done the prior two years, I recommend we then reduce the amount being used from fund balance accordingly.

This proposed budget maintains the current level of services, unfortunately a reduction in the amount of Capital Outlay is required to meet the tax cap and factor in other contractual costs. The State of New Hampshire Retirement System increased the employer contribution rates for Group I employees by 25%, Group II Police by 19%, and Group II Fire by 9%. The overall result increased the City's retirement budget by \$300,000. Compare this increase to the fact that the allowable property tax increase for the City budget alone is \$342,000; it was necessary to find reductions in order to maintain services.

You will note that this budget reduces the overall capital outlay budget by almost \$200,000 when compared to the adopted FY20-21 budget. On a positive note, the Road Resurfacing budget is recommended to be level funded at \$900,000. This has become a very successful program in the City. It has become further improved by timing our requests for bids to the winter and we have already contracted with Continental Paving of Londonderry, NH for over \$1,000,000 of paving to start this spring. This will provide the City the ability to complete this work during the prime construction season, and not scramble at the end of the construction season to get the work done.

Furthermore, the City was able to implement a new staffing initiative during the FY20-21 budget season. Through this initiative, we were able to fill a number of new positions, and convert a number of part-time positions to full-time positions. I am pleased to report that these positions were maintained in this proposed budget, as well as all other City staff positions.

Capital Improvements

As mentioned previously, the capital outlay section of this proposed budget has been reduced compared to the current budget, however, a number of capital improvements previously funded are moving forward.

The Cemetery Road complete streets project is out to bid as I write this budget letter, and are due on March 18, 2021. This is a \$3,800,000 project that will make road, sidewalk, drainage, water, and sewer improvements on Cemetery Road. We anticipate this project to start in the Spring and be substantially complete by the end of the 2021 construction season.

The new Fire Station project is moving forward as well. City staff are working with the consultant engineer and construction manager to develop a guaranteed maximum price for construction as final design is being completed. This is another project scheduled to start this spring, and is anticipated to take approximately 18 months.

The City's vehicle replacement program continues to follow the Capital Improvement Plan. The proposed budget supports an increase of the front-line police cruiser/SUV replacement program from 1 to 2 units, as well as continuing the undercover police vehicle replacement program with 1 new vehicle. Under the current FY 21 budget we were able to replace 1 police cruiser, 1 undercover police vehicle, a 1-ton truck in DPW, and will be requesting bids for a new fire engine in May.

The upgrade to the Wastewater Treatment Facility is on-going. That project is approximately 50% complete. There are currently studies of the Water distribution system, Noble Pines water tank, and the wellfield on-going and nearing completion.

Finally, in last year's budget letter I mentioned staff was seeking grant funding to hire a consultant to provide an assessment of the Library to provide options to increase the accessibility of that facility to all sections. Unfortunately, we were unable to secure any grant funding, but we were able to develop a funding strategy to move forward with this project. We are currently requesting proposals from qualified consultants, and responses are due on March 25, 2021.

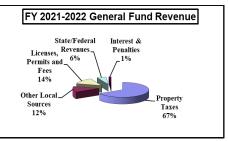

Budget

The General Fund proposed budget reflects an increase of \$388,115 or 2.77% compared to the prior year's approved budget. The enterprise funds reflect an increase of \$498,293 or 10% as a whole.

Revenues

Fiscal Year 2021-2022 proposed City General Fund appropriations will be supported from the following revenue sources:

- ▶ \$9,817,929 in Municipal Property Taxes
- ▶ \$2,019,975 in Licenses, Permits and Fees
- ▶ \$ 831,110 in Intergovernmental
- \$ 200,000 in Interest and Penalties
- ▶ \$1,828,161 in Other Local Sources

I have reduced the estimated revenue from the Rooms and Meals tax distribution by 25% anticipating a reduction due to the pandemic. Revenues from motor vehicle and building permits remain strong so I have increased the estimated revenue from these sources. As is evident by the information above, the single largest revenue source for general fund operations continues to be property taxes.

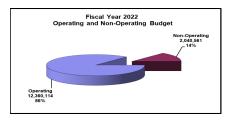

General Fund Appropriations:

Total appropriations proposed for the General Fund are \$14,400,675, representing an increase of 2.77% as compared to the Fiscal Year 2021 Adopted Budget.

Salaries and benefits have increased \$577,769 or 6.07%. As noted earlier in this letter, the NH Retirement System cost represents \$300,000 of that increase. The balance is spread out between salaries, health insurance, and other associated payroll benefit costs. Other areas of increase is in debt service and capital leases.

Non-operating is 16% of the total proposed budget

Significant changes within the proposed General Fund appropriations are as follows: *Salary and benefit increases :*

| or and benefit increases : | |
|---|------------------|
| Salary Increases | \$230,145 |
| Health Insurance Increases | \$ 31,882 |
| NH State Retirement | \$300,916 |
| Wage related benefits (FICA, W/C, etc.) | <u>\$ 14,826</u> |
| Subtotal | \$577,769 |
| | |

| Changes due to City Council action: | |
|--|------------------|
| Net change in Debt Service | \$ 27,485 |
| Net change in Lease Payments | <u>\$ 27,974</u> |
| Subtotal | \$ 55,459 |
| Capital Improvement Program not yet acted on by City Council | ': : |
| Fire – Replace Portable Radios | \$ 11,428 |
| Down-payment on Vehicle Leases | \$ 20,000 |
| Noble Pines Tennis Court Rehab | \$ 14,000 |
| Crane Boom – DPW | \$ 6,047 |
| Paint DPW Truck | \$ 6,500 |
| Rotary/Flail Mower DPW | \$ 13,000 |
| Millennium Park Lights Repair | \$ 7,500 |
| Subtotal | \$ 78,475 |

Water Fund

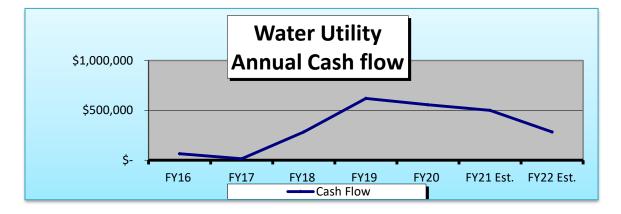

The total appropriations recommended for the Water Fund reflects an increase of \$224,003 or 10.28%.

The Water Fund opened FY2021 with a cash surplus of \$3,382,665, and as of the end of February it was \$3,636,288. At this time, there are no scheduled increases to the Water rates.

Changes of note are:

- The addition of 1 full-time distribution employee effective October 1, 2020. A full year of wages and benefits are reflected in the proposed budget.
- This proposed budget includes \$61,200 for a new vehicle to replace distribution truck 903. This was reflected in the City's FY2022-2027 Capital Improvement Program.
- This proposed budget includes \$118,628 for the first year of principal and interest payments for the Water Utility's portion of the Cemetery Road complete streets bond issue.

The graph is a visual depiction of the annual cash flow for the water utility.

Sewer Fund

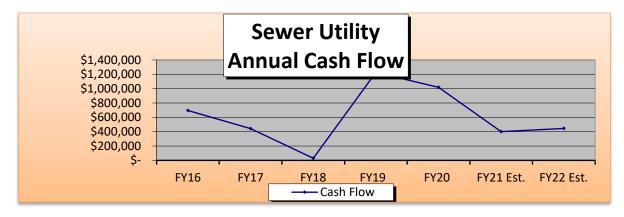

The total appropriations recommended for the Sewer Fund reflects an increase of \$201,137 or 8.58%.

The Sewer Fund opened FY2021 with a cash surplus of \$4,619,446 and as of the end of February it was approximately \$4,871,140. At this time, there are no scheduled increases to the Wastewater rates.

Changes of note are:

- This proposed budget includes \$95,000 for a Sewer Collection System Assessment. This was reflected in the City's FY2022-2027 Capital Improvement Program.
- This proposed budget includes \$118,628 for the first year of principal and interest payments for the Wastewater Utility's portion of the Cemetery Road complete streets bond issue.

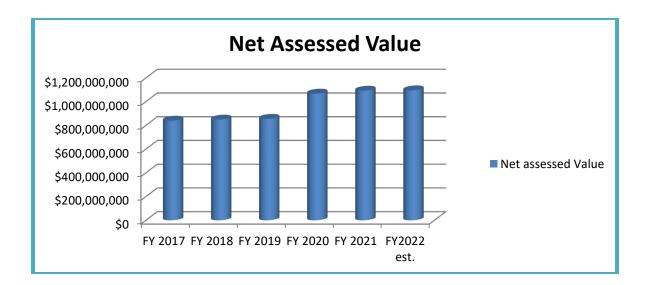

The graph is a visual depiction of the annual cash flow for the sewer utility.

Net Assessed Valuation

The City is experiencing a very active building market at this time. There are a number of single-family home developments, as well as some large apartment complexes being built. This has or will equate to increases in the City's net assessed value (NAV). The most recent NAV is \$1,092,265,002, an increase of 2.33% over the previous year.

The following is a chart listing the City's un-equalized net assessed value since FY2017:

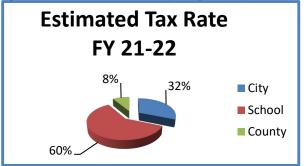

School Department Budget

The School Department's budget is submitted under separate cover. This budget has been reviewed and approved by the School Board and is presented for your consideration.

Tax Rate

If adopted as proposed, the property tax rate is projected to increase \$0.90 (ninety cents) or 3.23%.

A more detailed breakdown of the tax rate calculation appears in Section B on page B-4 of the budget document.

The following chart provides a comparison of the estimated impact of the tax rate on residents based on the budget as proposed using a home assessed at \$250,000.

| | FY2021 Adopted | FY2022 Proposed |
|-------------------------------------|----------------|-----------------|
| Average residential home in | Budget | Budget |
| Somersworth = \$250,000 | | |
| Tax rate per \$1,000 Assessed Value | 27.85 | 28.75 |
| Property Taxes | \$6,963 | \$7,188 |
| | ÷ • ;• • • | <i></i> |
| Rate Change from FY2021 | | \$225 |
| % Change from FY2021 | | 3.23% |

Fund Balance

Fund balance retention is important for responsible long-term financial planning. Maintaining a healthy fund balance provides the ability to respond to emergencies or other unanticipated expenditures, and to assist in mitigating dramatic City tax rate fluctuations.

The unassigned budgetary fund balance for the year ending June 30, 2020 was \$4,436,849. The City's fund balance policy states "the City will strive to maintain an unassigned fund balance in the General Fund of 5-17% of total appropriations". The current level is 8.74%, which is within the goal as laid out in the policy.

Based on the current status of the City's fund balance, and concerns I have during the development of this budget about reduced State revenue, I am recommending utilizing \$1,050,000 to reduce the impact of the proposed budget on the tax rate. I am further recommending that if the State is able to provide the City more revenue than estimated as part of the proposed budget, that the amount of fund balance utilized be reduced by an equivalent amount.

Summary

The Fiscal Year 2021-2022 proposed budget does not eliminate any services, does not reduce staffing in any department, and meets the City's commitment to provide effective and efficient services to our Community. Although we have had to adapt and make necessary changes to the way we operate, it hasn't slowed us down. When I reflect on the number of projects we have scheduled to start this Spring I realize how busy we have been, and will be.

Although the last year has been challenging for everyone, working together this past year with the Mayor and Council, City staff, volunteers, and residents really showed me what a special Community Somersworth truly is.

I extend a thank you to all City Departments for their cooperation and assistance in the preparation of this proposal, and particular appreciation to Deputy City Manager/Finance Director Scott Smith for all his efforts. This collaborative process has shaped a budget proposal of department programs that lays the foundation for an effective and efficient allocation of resources to meet current Community needs.

I look forward to reviewing the Fiscal Year 2021-2022 Budget Proposal with you.

Respectfully submitted,

it m Selmore

Robert M. Belmore City Manager
