Members Not Present: Matthew Duval, Chair

Others Present: None

Linda called the meeting to order at 10:00 AM

Linda introduced the new representative from the NEPBA, Anthony DeFrancesco.

MINUTES OF THE 01/27/22 MEETING

Ned made a motion to accept the minutes. The motion was seconded by Mike and passed unanimously.

NEW BUSINESS

Accident Reports – accident reports for the reporting period (01/26/2022-05/11/2022) were provided. We discussed one by one the three (3) workers compensation injuries and the nine (9) property and liability claims that happened since our last meeting.

Concerns/Training/Accomplishments-

- The first two sessions of CPR/AED training were very well received. There are two more sessions on May 19<sup>th</sup>.
- Tony told us about new gloves the Police Department wants to include in its standard issue that help avoid receiving needle sticks when searching people, vehicles, etc. The committee was enthusiastic that they would help not only the physical implications of a needle stick but also the psychological implications.
- There was discussion about the AED for parks and recreation (which is being used at the wastewater plant temporarily). There is one on order, just taking a little while.
