**Discussion**

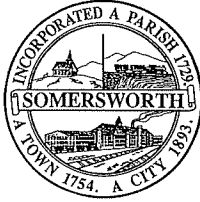

5/6/2024

*Deputy Clerk Ramsey performed a first reading of Resolution 45-24.*

*Councilor Paradis-Catanzaro made a motion to suspend Council Rules to allow for a second reading of Resolution 45-24. The motion was seconded by Councilor Gibson.*

Discussion:

Councilor Witham appreciates the urgency but this Resolution requires a public hearing in order to utilize the Municipal and Transportation funds.

Councilor Paradis-Catanzaro requested confirmation of the required public hearing as it is not an Ordinance and she feels this is a safety concern and feels we should move forward if a public hearing is not required.

City Manager Belmore stated that the Resolution does not require a public hearing but the Ordinance for the supplemental appropriation to fund the project does require a public hearing.

*Councilor Paradis-Catanzaro withdrew her motion and Councilor Gibson withdrew his second.*

*Resolution 45-24 will remain in first reading until the call of the Chair.*
