Message:

Good afternoon sir.

I am the Facilities Manager at Contitech Thermopol LLC over on Interstate Drive. I am writing to you today to inquire as to what is needed to request a street light. As you may or may not be aware, we operate out of the buildings located at 9 & 10 Interstate Drive around the clock. Several of our employees have requested a street light for the crosswalk that connects our buildings, as the lighting there is poor and we have people crossing the street at all hours.

As I have never requested a street light before, I am looking to you for some guidance. Thank you for your time and I look forward to your response.
