City of Somersworth – Resolution

Resolution No: 15-22

**A VOTE TO OPPOSE THE MAJORITY-PROPOSED
CONGRESSIONAL DISTRICT MAPS DRAWN BY THE SPECIAL
COMMITTEE ON REDISTRICTING OF THE NEW HAMPSHIRE
HOUSE OF REPRESENTATIVES**

November 15, 2021

WHEREAS, on February 1st, 2021 the Somersworth City Council voted unanimously to support Resolution 26-21, “A Vote to Support the Creation of Fair and Nonpartisan State and Federal District Maps by the New Hampshire General Court”, and

WHEREAS, the Special Committee on Redistricting of the New Hampshire House of Representatives released proposed Federal Congressional District Maps on November 4th, 2021, and

WHEREAS, the proposed maps created by the members of the majority on the Special Committee on Redistricting cause dramatic shifts to New Hampshire’s Congressional Districts that appear to be done in a way that highly advantages one political party over the other, and

WHEREAS, under the majority-proposed maps, Somersworth would no longer be in Congressional District 1 – the Congressional District that the City has been in since the creation of New Hampshire Congressional District Maps in the 1880s, and make the residents of the City of Somersworth amongst the 186,382 New Hampshire residents moved from Congressional District 1 to Congressional District 2, and

WHEREAS, under the majority-proposed maps, Strafford County is split between two different Congressional Districts for the first time in its history, and

WHEREAS, under the majority-proposed maps, Somersworth - residing in the south-east, Seacoast Region of New Hampshire - would be represented by the same Congressperson as the City of Keene in the far western corner of the State of New Hampshire, as well as the most northern town of Pittsburgh, NH, which are communities that share far-fewer shared interests than those in neighboring communities that have been placed in a different Congressional District than Somersworth.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SOMERSWORTH, that the City of Somersworth expresses its strong disapproval of the majority member proposed Congressional District maps by the Special Committee on Redistricting of the New Hampshire House of Representatives, because these maps will provide a strong partisan advantage to one political party, remove Somersworth from a Congressional District that represents similar and related communities, and places Somersworth in a Congressional District with less similar communities only for the purpose of creating a partisan advantage, not for the

benefit of the citizens of Somersworth; and furthermore the City of Somersworth calls on members of the Special Committee on Redistricting of the New Hampshire House of Representatives to either re-draw maps that are fair and no-longer gerrymandered, or vote against the majority-proposed Congressional District Maps.
