RSA 165:2-c.

IV. Roles of Local Governing Body & Welfare Official

The responsibility of the day-to-day administration of the general assistance program should be vested in the appointed welfare official. The welfare official shall administer the general assistance program in accordance with the written guidelines of the City of Somersworth. The local governing body, the City Council, is responsible for the adoption of the guidelines relative to general assistance. RSA 165:1 (II).

V. Maintenance of Records

A. Legal Requirement

Each welfare official is required by NH RSA 41:46 to keep complete paper and/or electronic records concerning the number of clients given assistance and the cost for such support. Separate case records shall be established for each individual or household applying for general assistance. The purposes for keeping such records are:

1. To provide a valid basis of accounting for expenditure of the City of Somersworth's funds;
 2. To support decisions concerning the client's eligibility;
 3. To assure availability of information if the client seeks administrative or judicial review of the welfare official's decision;
 4. To provide the welfare official with accurate statistical information; and
 5. To provide a complete history of an client's needs and assistance that might aid the welfare official in ongoing case management and in referring the client to appropriate agencies.
-

B. Case Records

The welfare official shall maintain case records containing the following information:

1. The complete application including any authorizations signed by the client allowing the welfare official to obtain or verify any pertinent information in the course of assisting the client, to include a signed Authorization to Release Information from the New Hampshire Department of Health and Human Services.
2. Written grounds for approval or denial of an application, contained in a notice of decision.

C. Case Record Retention

Records shall be kept based on the Municipal Record Retention Requirement. Welfare records must be retained during the active phase of any application plus 7 years.

VI. Application Process

A. Right to Apply

Screening Process

Individuals presenting themselves at the City of Somersworth Welfare Office will be processed in the manner described below. Based on the large number of individuals seeking assistance on a daily basis, the Somersworth City Welfare Office utilizes a screening process to identify, expedite and prioritize emergency need(s) such as food, shelter, heat (during the winter months), utilities and emergency medication. This process may involve the individual seeking assistance to complete a Welfare Department intake form to determine the extent of the emergency and the availability of resources and referrals. Based on the above information it may be necessary for the individual to complete the Application for Assistance and be seen by a welfare official who will conduct the intake interview.

Individuals requesting General Assistance who, as a result of the screening process, are not considered to be in an emergency situation, will be given further instructions to:

- a. Be provided with an appointment to return another day;
- b. Be referred to an appropriate agency or resource.

B. Application Process

1. Anyone may apply for general assistance by appearing in person or through an authorized representative and by completing a written or electronic application form. The Welfare Official should determine the process by which the eligibility determinations shall be made, either by in-person appointments, via telephone or video, or home visits. See Sections VI(F) on Home Visits. If more than one adult resides in a household, each may be required to appear at the Welfare Office to apply for assistance, unless one is working or otherwise reasonably unavailable. Unrelated adults in the client's residential unit may be required to apply separately if they do not meet the definition of household as defined in these guidelines. Each adult in the household may be requested to sign release of information forms.
2. The welfare official shall not be required to accept an application for general assistance from a client who is subject to a suspension pursuant to Section XIII(C) of these guidelines (RSA 165:1-b, VI); provided that any client who contests a determination of continuing noncompliance with the guidelines may request a fair hearing as provided in Section XIII(C)(7); and provided further that a client who has been suspended for at least six months due to noncompliance may file a new application.
- 3.
4. The application process may be deferred if a client appears to be under the influence of alcohol, drugs or other substances, or appears incapable of comprehending and/or completing the application/interview process.
5. If a client refuses to sign the Notice of Decision, the client is still responsible to observe and/or fulfill the requirement(s) listed in the Notice of Decision.

C. Welfare Official's Responsibilities at Time of Application

When application is made for general assistance, the welfare official shall inform the client of:

1. The requirement of submitting an application. The welfare official shall provide assistance to the client in completing the application, if necessary (e.g., client is physically or mentally unable, or has a language barrier);
 2. Eligibility requirements, including a general description of the guideline amounts and the eligibility formula;
 3. The client's right to a fair hearing, and the manner in which a review may be obtained if sought;
 4. The client's responsibility for reporting all facts necessary to determine eligibility, and for presenting records and documents as requested and as reasonably available to support statements;
 5. The kinds of verifications needed as listed in Section VII;
-
-

6. The fact that an investigation will be conducted in order to further substantiate facts and statements as presented by the client, and that this investigation will be ongoing while the case is open;
 7. The client's responsibility to notify the welfare official of any change in circumstances that may affect eligibility;
 8. Other forms of assistance for which the client may be eligible if sought;
 9. The availability of the welfare official to make home visits by mutually agreed appointment to take applications and to conduct ongoing case management for clients who cannot leave their homes;
 10. The requirement of placing a lien on any real property owned by the client, or any civil judgments or property settlements, for any assistance given, except for good cause;
 11. The fact that reimbursement from the client will be sought if he/she becomes able to repay the amount of assistance given;
 12. The client's right to review the guidelines, if sought; and
 13. The need to relocate to more affordable housing based on the client's present and projected verifiable income. Effort will be made to maintain client in his/her own housing if it is within the City's rental allowance guidelines, unless it is clear that to do so would probably require an unreasonable period of continuing subsidy from the Welfare Office. In determining whether or not continuing subsidy is warranted, the department shall consider, among other relevant factors:
 - a. Efforts by the client to increase household income or obtain less expensive housing;
 - b. The client's prospects of obtaining other forms of rent assistance;
 - c. Special consideration will be given to helping a client residing in federally subsidized housing or other substantially below market rate housing to retain such housing.
 14. Households or individuals currently without housing and/or income may be referred to a shelter.
 15. The welfare official will not pay charges which do not represent an actual service, for example late charges, security deposits, key charges, damages, eviction fees, etc.
 16. The amount of assistance provided will be negotiated with vendors whenever possible. The welfare official will always attempt to provide what is necessary for the least cost possible. If negotiation is not possible, the least expensive appropriate alternative will be sought.
 17. The client's responsibility not to voluntarily terminate employment without good cause, as required by RSA 165:1-d.
-

18. The fact that the Child Protection Act requires the Welfare Official or any person who suspects that a child under age 18 has been abused or neglected must report that suspicion immediately to NH DHHS Division of Children, Youth and Families (DCYF). RSA 169-C:29-31.
19. The fact that the Adult Protection Law requires the Welfare Official or any person who has a reason to believe that a vulnerable adult has been subject to abuse, neglect, exploitation or self-neglect to make a report immediately to the NH DHHS Bureau of Elderly & Adult Services (BEAS). RSA 161-F:46.

D. Responsibility of Each Client

IMPORTANT NOTICE

For safety and health reasons, clients and anyone accompanying them in the waiting room must immediately inform the Welfare Office of any of the following: communicable diseases; contagious diseases; infestations; and any other health hazards. These include, but are not limited to: conjunctivitis, flu, lice, bed bugs, chickenpox, hepatitis, tuberculosis, or other health related issues.

At the time of initial application, and at all times thereafter, the client has the following responsibilities:

1. To provide accurate, complete and current information concerning needs and resources and the whereabouts and circumstances of relatives who may be responsible under RSA 165:19;
 2. To notify the Welfare Office promptly when there is a change in needs, resources, address or household size;
 3. To apply for immediately, but no later than 7 days from initial application, and accept any benefits or resources, public or private, that will reduce or eliminate the need for general assistance. RSA 165:1-b, I(d);
 4. To keep all appointments as scheduled;
 5. To provide records and other pertinent information and access to said records and information when requested;
 6. To provide a doctor's statement if claiming an inability to work due to medical problems;
 7. Following a determination of eligibility for assistance, to diligently search for employment and provide verification of work search (the number of work search contacts to be determined by the welfare official), to accept employment when offered (except for documented reasons of good cause (RSA 165:1-d), and to maintain such employment. RSA 165:1-b, I (c);
 8. Following a determination of eligibility for assistance, to participate in the workfare program (if required) and if physically and mentally able. RSA 165:1-b, I (b);
-

9. To reimburse assistance granted if returned to an income status and if such reimbursement can be made without financial hardship. RSA 165:20-b; and
10. To immediately report the theft and/or loss of any money, voucher or other valuable property to the appropriate entity and/or law enforcement authority and to the Welfare Office with proof of the report to law enforcement.

Client shall be denied assistance if he/she fails to fulfill any of these responsibilities without reasonable justification. A client's assistance may be terminated or suspended for failure to fulfill any of these responsibilities without reasonable justification, in accordance with Section XIII(C).

Any client may be denied or terminated from general assistance, in accordance with Section XIII, or may be prosecuted for a criminal offense, if he/she, by means of intentionally false statements or intentional misrepresentation, or by impersonation or other willfully fraudulent act or device, obtains or attempts to obtain any assistance to which he/she is not entitled.

E. Actions on Applications

1. **Decision.** The Welfare Official utilizes these Guidelines to determine client's eligibility, while ensuring that each client received due process. Unless an application is withdrawn, the Welfare Office shall make a decision concerning the client's eligibility within five working days after submission of a completed application. If the request is determined to be an emergency, Section VI:D (3) Emergency Assistance guidelines shall apply. A written Notice of Decision shall be given in hand, delivered or mailed on the same day or next working day following the making of the decision. The notice of decision shall state that assistance of a specific kind and amount has been given and the time period of aid, or that the application has been denied, in whole or in part, with reasons for denial.

The Notice of Decision shall contain a first notice of the conditions for continued assistance and shall notify the client of his/her right to a fair hearing if dissatisfied with the welfare official's decision. RSA 165:1-b, II, III.

2. **Pending Status.** The Welfare Official may determine the application status as pending subject to receipt of specified information, documentation or verifications from the client within a specific amount of time not to exceed five working days.
3. **Emergency Assistance.** At the time of initial contact, if the client demonstrates and verifies that an emergency need exists in which the threat to life or health (such as loss of shelter, heat sources in winter, lack of food or prescriptions which are an immediate medical necessity), then temporary assistance to mitigate such emergency need(s) shall be provided to prevent the imminent threat to life or health, pending a decision on the application and given no later than seventy-two (72) hours from the time of the request. If a determination regarding utility assistance cannot be made immediately, a referral to shelter can be offered until such time as eligibility can be determined. Such emergency assistance shall not obligate the Welfare Office to provide further assistance after the application process is completed.

When a client submits a completed application for assistance with a Notice to Quit for non-payment of rent, prior to the date on which the Notice to Quit expires, the Welfare Office shall make a reasonable effort to:

- A. Process the application/request in a manner which, if determined eligible and assistance is granted, would enable the client to tender a voucher in the amount necessary to defeat eviction by the day the Notice to Quit expires; or
 - B. Obtain a commitment from the landlord that he/she will agree to accept welfare assistance paid on behalf of the client and will wait for a decision from the Welfare Office and not pursue the eviction unless a specified date following the expiration of the Notice to Quit passes without the landlord receiving a commitment to pay from the Welfare Office.
 - C. In no case shall the decision on the application for rental assistance to cure a Notice to Quit for non-payment of rent be issued later than 72 hours from the time of the application or by the date of the expiration of the Notice to Quit, whichever is later.
 - D. This process does not apply to a client who is presently in the suspension or denial status.
4. **Temporary Assistance.** In circumstances where required records are not available, the Welfare Office may give temporary limited approval of an application pending receipt of required documents. Temporary status shall not extend beyond two weeks. The Welfare Office shall not insist on documentary verification if such records are totally unavailable.
5. **Withdrawn Applications.** An application shall be considered withdrawn if:
- a. The client dies before assistance is rendered;
 - b. The client avails him/herself of other resources to meet the need in place of assistance;
 - c. The client requests that the application be withdrawn (preferably in writing); or
 - d. The client does not contact the Welfare Office after the initial interview after being requested to do so.

F. Home Visits

A home visit may be made by appointment at the request of any client, but only when it is determined to be impossible for the client or their representative to apply in person. Home visits will be made in pairs (i.e., no welfare official shall make a home visit alone). At the Welfare Official's discretion, a telephone or video interview by appointment may be an alternative to a home visit.

The home visit, telephone or video appointment shall be conducted in such a manner as to preserve, to the greatest extent possible, the privacy and dignity of the client. To this end, the person conducting the visit shall not be in uniform or travel in a law enforcement vehicle, shall be polite and courteous, and shall not knowingly discuss or mention the application within the listening area of someone who is not a member of the household.

Client's housing is expected to meet local health and safety codes standards. During the home visit if the welfare official views any substandard living conditions, they should report all possible violations to proper municipal departments/authorities.

VII. Verification of Information

Any determination or investigation of need or eligibility shall be conducted in a manner that will not violate the privacy or personal dignity of the individual or harass or violate his or her individual rights.

A. Required Verifications

Verification will normally be required of the following:

1. Client's address;
2. Facts relevant to the client's residence, as set forth in sections IX(B) and X;
3. Name of persons in client's residential unit;
4. Client's and household's income and assets;
5. Client's and household's financial obligations;
6. The physical and mental condition of household members, only where relevant to their receipt of assistance, such as ability to work, determination of needs, or referrals to other forms of assistance;
7. Any special circumstances claimed by client;
8. Client's employment status and availability in the labor market;
9. Names, addresses, and employment status of potentially liable relatives;
10. Utility costs;
11. Housing costs;
12. Prescription costs; and
13. Any other costs that the client wishes to claim as a necessity.

B. Verification Records

Verification may be made through records provided by the client (for example, birth, marriage, and civil union certificates, pay stubs, pay checks, rent receipts, bank/debit card information, etc.) as primary sources covering a time period of at least 30 days prior to the application/appointment date. The failure of the client to bring such records does not affect the Welfare Office's

responsibility to process the application promptly. The Welfare Official shall inform the client what records are necessary, and the client is required to produce records possessed as soon as possible. However, the official shall not insist on documentary verification if such records are not available, but should ask the client to suggest alternative means of verification.

C. Other Sources of Verification

Verification may also be made through other sources, such as relatives, employers, former employers, banks, school personnel, and social or government agencies. The cashier of a national bank or a treasurer of a savings and trust company is authorized by law to furnish information regarding amounts deposited to the credit of a client. RSA 165:4.

D. Written Consent of Client

When information is sought from such other sources, the Welfare Official shall explain to the client what information is desired, how it will be used, and the necessity of obtaining it in order to establish eligibility. Before contact is made with any other source, the Welfare Official shall obtain written consent of the client, unless the Welfare Official has reasonable grounds to suspect fraud. In the case of suspected fraud, the Welfare Official shall carefully record his/her reasons and actions, and before any accusation or confrontation is made, the client shall be given an opportunity to explain or clarify the suspicious circumstances.

E. Legally Liable Relatives

The Welfare Official may seek statements from the client's legally liable relatives regarding their ability to help support the client. The relation of any poor person in the line of father, mother, stepfather, stepmother, son, daughter, husband or wife shall assist or maintain such person when in need of relief. Said person shall be deemed able to assist such a person if his/her income is more than sufficient to avoid causing a financial hardship. RSA 165:19.

F. Refusal to Verify Information

Should the client refuse comment and/or indicate an unwillingness to have the Welfare Official seek further information that is necessary, assistance may be denied for lack of eligibility verification.

VIII. Disbursements

The City of Somersworth pays through a voucher system. No Cash or reimbursement is provided to the clients. RSA 165:1 (III). Vouchers are payable directly to the vendor(s) providing the services (utilities, landlords, stores, etc.).

The amount shown on the voucher is the maximum amount to be used for payment. In accordance with the City of Somersworth's accounting practices, a client may be required to sign the voucher

to insure proper usage. The vendor returns the voucher with the required documentation, for payment, to the Welfare Office. After the initial transaction, if there is any unspent money, the voucher shall be returned to the City of Somersworth for payment of the actual amount listed on an itemized bill or register tape. Vouchers altered by the client or vendor may not be honored.

A voucher previously issued, but not yet paid, may be revoked and voided under certain circumstances. If facts are discovered that would negate such issuance or fraud is determined, the voucher will be cancelled promptly. If fraud is involved, the facts surrounding the matter will be given to the appropriate law enforcement authorities for action. The revocation of assistance is not meant to replace the suspension process for issues of noncompliance.

IX. Determination of Eligibility and Amount

A. Eligibility Formula

A client is eligible to receive assistance when:

1. He/she meets the non-financial eligibility factors listed in Section C below; and
2. The client's basic maintenance need, as determined under Section E below, exceeds his/her available income (Section F below) plus available liquid assets (Section D below). If available income and available liquid assets exceed the basic maintenance need (as determined by the guideline amounts), the client is not eligible for general assistance. If the need exceeds the available income/assets, the amount of assistance granted to the client shall be the difference between the two amounts, in the absence of circumstances deemed by the Welfare Official to justify an exception.

B. Legal Standard and Interpretation

“Whenever a person in any town is poor and unable to support himself he shall be relieved and maintained by the overseers of public welfare of such town, whether or not he has residence there.”
RSA 165:1.

1. A client cannot be denied an application for assistance because he/she is not a resident of the City of Somersworth.
 2. “Whenever” means at any or whatever time that person is poor and unable to support him or herself and without reasonable alternative options to deem general assistance unnecessary.
 - a. The Welfare Official, or a person authorized to act on his/her behalf, shall be available during normal business hours.
 - b. The eligibility of any client for general assistance shall be determined no later than five (5) working days after the application is submitted. If the client has an emergency life safety need, then assistance for such
-

emergency need shall be provided in accordance with Section VI (D)(3), (4). provided an application is submitted.

- c. Assistance shall begin as soon as the client has been determined eligible.
- 3. “Poor and unable to support” means that an individual lacks income and available liquid assets to adequately provide for the basic maintenance needs of him/herself or the household as determined by the City of Somersworth Welfare Guidelines.
- 4. “Relieved” means a client shall be assisted to meet those basic needs.
- 5. “Maintained” means that assistance could be continued as long as the client is eligible as determined by the City of Somersworth Welfare Guidelines.

C. Non-Financial Eligibility Factors

- 1. **Age.** General assistance cannot be denied any client because of the client’s age; age is not a factor in determining whether or not a client may receive general assistance. Minor clients shall be referred to Protective Services of the NH Division of Children, Youth, and Families for support and case management. Minors have the residence of their parent(s) or legal guardian(s). Minors are the financial responsibility of the parent(s) or legal guardian(s). A minor who is married is considered an adult.
 - 2. **Support Actions.** No client shall be compelled, as a condition of eligibility or continued receipt of assistance, to take any legal action against any other person. The City of Somersworth may pursue recovery against legally liable persons or governmental units. See Section XVI.
 - 3. **Eligibility for Other Categorical Assistance.** A client who may be eligible for any assistance programs must apply for such assistance immediately, but no later than seven (7) days after being required to do so by the Welfare Official. Failure to do so may render the client ineligible for assistance and subject to action pursuant to Section XIII of these guidelines.
 - 4. **Employment.** A client who is gainfully employed, but whose income and assets are not sufficient to meet necessary household expenses, may be eligible to receive general assistance. However, clients who without good cause refuse a job offer or referral to suitable employment, participation in the workfare program, or who voluntarily leave a job without good cause may be ineligible for continuing general assistance in accordance with the procedures for suspension outlined in the guidelines. The Welfare Official shall first determine whether there is good cause for such refusal, taking into account the ability and physical and mental capacity of the client, transportation problems, working conditions that might involve risks to health or safety, lack of adequate child care, or any other factors that might make refusing a job reasonable. These employment requirements shall extend to all adult members of the household.
-

5. **Registration with the New Hampshire Department of Employment Security (NHES) and Work Search Requirements.** All unemployed clients and adult members of their households shall, within seven days after having been granted assistance, register with NHES to find work and must conduct a reasonable, verified job search as determined by the Welfare Official. Each client must apply for employment to each employer to whom he/she is referred by the Welfare Official. These work search requirements apply unless the client and each other adult member of the household is:
- a. Gainfully employed full-time and permanent employment status;
 - b. A dependent 18 or under who is regularly attending secondary school;
 - c. Unable to work due to illness or mental or physical disability of him/herself or another member of the household, as verified by the Welfare Official; or
 - d. Is solely responsible for the care of a child under the age of one. A client responsible for the care of a child aged one to twelve shall not be excused from work search requirements, but shall be deemed to have good cause to refuse a job requiring working during hours the child is not usually in school, if there is no responsible person available to provide care, and it is verified by the Welfare Official that no other care is available.
 - e. The Welfare Office shall give all necessary and reasonable assistance to ensure compliance with registration and work requirements, including the granting of allowances for transportation and work clothes for employment as part of an allowable budget expense. Failure of a client to comply with these requirements without good cause will be reason for denial of assistance.
6. **Students.** Clients who are post-secondary education students with unreasonable employment availability limitations or refusing to seek full-time employment are not eligible for general assistance. Clients enrolled in General Equivalency Diploma (GED) or higher education programs must be employed full-time or be available for full-time employment.
7. **Non-Citizens.** The Welfare Official may, in his/her sole discretion, provide limited emergency life-safety assistance to non-citizens not otherwise eligible for general assistance.
- a. A non-citizen who is not:
 - A qualified alien under 8 USCA 1641,
 - A non-immigrant under the Federal Immigration and Nationality Act, or
 - An alien paroled into the United States for less than one year under 8 USCA 1182(d)(5).

- b. Qualified aliens include aliens who are lawfully admitted for permanent residence under the Immigration and Nationality Act (8 USCA 1101 et seq.), aliens who are granted asylum under that act, certain refugees, and certain battered aliens. 8 USCA 1641.
 - c. A non-citizen who is not eligible for general assistance may be eligible for state assistance with health care items and services that are necessary for the treatment of an emergency medical condition, which is defined as a medical condition (including emergency labor and delivery) manifesting itself by acute symptoms of sufficient severity (including severe pain) such that the absence of immediate medical attention could reasonably be expected to result in:
 - Placing the patient's health in serious jeopardy;
 - Serious impairment to bodily functions; or
 - Serious dysfunction of any bodily organ or part. 8 USCA 1621(b) and 42 USCA 1396(v)(3).
 - d. A non-citizen may also be eligible for general assistance for treatment of an emergency medical condition, pursuant to Section IX(E)(8)(a) of these guidelines.
 - e. Non-citizen clients for general assistance may be required to provide proof of eligibility. 8 USCA 1625.
8. **Property Transfers.** No client who is otherwise eligible shall receive such assistance if he/she made an assignment, transfer, or conveyance of property for the purpose of rendering him/herself eligible for assistance within three years immediately preceding his/her application. RSA 165:2-b.
9. **Employment of Household Members.** The employment requirements of these guidelines, or participation in the workfare program, shall be required for all adults aged 18 to 65 years residing in the same household, except those regularly attending secondary school or employed on a full-time basis, who are:
- a. Members of the client's household;
 - b. Legally liable to contribute to the support of the client and/or children of the household; and
 - c. Not prevented from maintaining employment and contributing to the support of the household by reason of physical or mental disability or other justifiable cause as verified by the Welfare Official.

The Welfare Official may waive this requirement where failure of the other household members to comply is not the fault of the client and the Welfare Official decides it would be unreasonable for the client to establish a separate household. RSA 165:32.

10. **Disqualification for Voluntary Termination of Employment.** Any client eligible for assistance who voluntarily terminates employment shall be ineligible to receive assistance for 90 days from the date of employment termination, provided the client:
- a. Has received local welfare within the past 365 days; and
 - b. Has been given notice that voluntary termination of employment without good cause could result in disqualification; and
 - c. Has terminated employment of at least 20 hours per week without good cause within 60 days of an application for local welfare; and
 - d. Is not responsible for supporting minor children in his/her household, which caused an inability to maintain employment; or
 - e. Did not have a mental or physical impairment which caused him/her to be unable to work.

Good cause for terminating employment shall include any of the following: discrimination, unreasonable work demands or unsuitable employment, retirement, leaving a job in order to accept a bona-fide job offer, migrant farm labor or seasonal construction, and lack of transportation or child care. A client shall be considered to have voluntarily terminated employment if the client fails to report for work without good cause. A client who is fired or resigns from a job at the request of the employer due to the client's inability to maintain the employer's normal work productivity standard shall not be considered to have voluntarily terminated employment. RSA 165:1-d.

D. Available Assets

1. **Available Liquid Assets.** Cash on hand, bank/debit card deposits, credit union accounts, income tax refunds, securities and retirement plans (i.e., IRA's, deferred compensation, etc.) are available liquid assets. Insurance policies with a loan value, and non-essential personal property, may be considered as available liquid assets when they have been converted into cash. The Welfare Official shall allow a reasonable time for such conversion. However, tools of a trade, livestock and farm equipment, and necessary and ordinary household goods are essential items of personal property which shall not be considered as available assets.
 2. **Automobile Ownership.** The ownership of one automobile by an client or his/her dependent does not affect eligibility if it is essential for transportation to seek or maintain employment, to procure medical services or rehabilitation services, or if its use is essential to the maintenance of the individual or the family. Possession of a new vehicle, luxury vehicle, or multiple vehicles are usually considered as liquid assets and may be required to be converted to cash prior to eligibility for anything other than an extreme emergency.
 3. **Insurance.** The ownership of insurance policies does not affect eligibility. However, when a policy has cash or loan value, the client will be required to obtain
-

and/or borrow all available funds, which shall then be considered available liquid assets. Motor vehicle insurance premiums and/or SR22 insurance premiums are not normally included as “need” in determining eligibility or amount of aid.

4. **Real Estate.** The type and amount of real estate owned by a client does not affect eligibility, although rent or other such income from property shall be considered as available to meet need. Clients owning real estate property, other than that occupied as their primary residence, shall be expected to make reasonable efforts to dispose of it at fair market value. Clients shall be informed that a lien covering the amount of any general assistance they receive shall be placed against any real estate they own. RSA 165:28.

E. Standard of Need

NOTE: A client must first and foremost utilize resources for basic needs, which are: rent, food (minus SNAP Allotment), cleaning and personal hygiene items, utilities, prescriptions, diapers, and gas for a vehicle (when vehicle is used for medical and work purposes only). Documented child care costs and court ordered child support payments may be considered. Clients must provide legitimate dated and signed receipts. Credit card payments, rent-to-own items, cable service, internet service, repayment of personal loans, payment of traffic citations, bail, court fines and court ordered restitution are examples of non-basic needs. The above cited examples are not all inclusive of non-basic needs. Any income used for basic needs must be accounted for with legitimate dated receipts. Any income used for non-basic needs and/or unaccounted for will be considered available when determining eligibility.

The basic financial requirement for general assistance is that a client be poor and unable to support him/herself. A client shall be considered poor when he/she has insufficient available income/assets to purchase either for him/herself or dependents any of the following:

1. **Housing.** The amount to be included as “need” for housing is the actual cost of rent or mortgage necessary to provide shelter or housing in the City of Somersworth as determined either by the most recent HUD Fair Market Rents, New Hampshire Housing Finance Authority Rental Survey, or by minimum reasonable local market rent factors, as chosen by the Welfare Official.

- a. **Permanent Tenancy Housing Arrearages.** Housing arrearages are not normally included. The Welfare Office may assist in the least costly manner, or provide alternate means to accommodate the health and safety of the household unit. The Welfare Official may, in his/her sole discretion, assist with housing arrearages if such payment is necessary to prevent eviction or foreclosure and to protect the health and safety of the household, and if household can verify ability to afford/maintain housing based on present and/or projected verifiable income. However, if the amount of such mortgage or rental arrearage substantially exceeds the cost of alternative, available housing which complies with local health and housing code standards, or if the payment of arrears will not prevent eviction or foreclosure, the Welfare Official may instead authorize payment of first month’s rent, or portion thereof for such alternative housing if, under the circumstances of the case, it is reasonable to do so and would not cause undue hardship to the client household. Alternative housing may include
-

transitional housing, i.e. shelters, as an option. Special consideration will be given to assisting a client residing in federally subsidized housing or other substantially below market rent housing to retain such housing. It is not the responsibility of the Welfare Official to locate permanent housing.

1. Residents seeking rent or mortgage assistance within the first three months of occupancy may be expected to verify ability to reasonably financially maintain said expenses at time of move in.

2. Housing is expected to meet local ordinance and code standards as verified by the local building/code inspector for consideration of financial housing assistance.

b. Hotel, Motel and Inns: Occupants of hotels, motels, inns and classified as such, are not normally considered “tenants” and are exempt from the legal eviction process defined in RSA 540, RSA 540:1-a. Persons residing in housing exempt from the legal eviction process are not normally considered to be residing in permanent housing under these guidelines.

c. Single-family Home Boarders: Occupants of single-family homes in which the occupant has no lease, which is the primary and usual residence of the owner, are not normally considered “tenants” and are exempt from the legal eviction process defined in RSA 540, RSA 540:1, RSA 540:1-a.

Persons residing in housing exempt from the legal eviction process are not normally considered to be residing in permanent housing under these guidelines.

d. First Month’s Rent. Assistance with first month’s rent will be considered only in the event of verifiable emergency need, i.e., inability to financially maintain current housing’s basic expenses, homelessness, uninhabitable housing as determined by the local building/code inspector or other appropriate local authority, and the verified ability at the time of application to financially maintain such proposed housing. Client is expected to seek first month rental assistance prior to moving into proposed housing, including receiving rental keys from the landlord/owner or moving personal belongings into proposed rental housing.

e. Security Deposits. Security deposits may be included in the “need” formula if, and only if, the client is unable to secure alternative shelter for which no security deposit is required or is unable to secure funds, either him/herself or from alternative sources, for payment of the deposit. Any security deposit provided by the general assistance program which is returned under RSA 540-A:7 shall be returned to the City of Somersworth, not the client.

f. Relative Landlords. Whenever a relative of a client is also a landlord for the client, a financial analysis shall be made in accordance with RSA 165:19. Rents will not be paid to non-landlords such as friends or relatives.

- g. Emergency Shelters.** The Welfare Official will provide referrals to homeless shelters and/or transitional housing when appropriate or needed to resolve a basic health and safety housing need. Shelter and/or transitional housing clients are expected to abide by shelter/transitional housing rules and policies. In cases in which an appropriate referral for emergency temporary housing/shelter is provided and the client refuses to accept such a referral, the Welfare Office will not be liable for any alternative housing/shelter but may consider other forms of non-housing assistance to which he/she is otherwise eligible. In cases in which a client is involuntarily exited from emergency shelter for violation of rules/policies or voluntarily exits the shelter without a reasonable long-term housing option, resulting in the need for further emergency housing assistance, the Welfare Official will seek alternative emergency temporary housing/shelter, however the City will not be liable for the cost of any alternative housing. The New Hampshire Division for Children, Youth and Families may be contacted to provide support for families involuntarily exited or voluntarily leaving the provided shelter without a reasonable housing/shelter option for their children/family. RSA 169-C:29. The client must accept the least costly alternative for emergency housing assistance that is deemed suitable by the Welfare Official for client's household.

2. Utilities. When utility costs are not included in the shelter expense, the most recent outstanding monthly utility bill will be included as part of "need" by the Welfare Official (service must be in client's name). Arrearages will not normally be included in "need" except as set forth below.

NOTE: The New Hampshire Public Utilities Commission (PUC) has established comprehensive rules governing the provision of some utility services. Generally speaking, the PUC governs electric, natural gas, telephone, water, and sewer; it does not govern any municipal utilities, propane tanks, or fuel oil. With the exception of the telephone, the rules are consistent across utilities. These rules and regulations cover the initiation of service, payment arrangements, termination of service, the terms of restoration of service, the requirement of deposits, municipal guarantees and guarantees from other third parties. There are special rules as to winter termination. The Welfare Official should be familiar with these rules in order to ensure that needs are properly met at the lowest available cost. The PUC has a toll-free consumer assistance number: 800-852-3793

- a. Arrearages.** Arrearages will not be included except when necessary to ensure the health and safety of the client household or to prevent termination of utility service where no other resources or referrals can be utilized. In accordance with the rules of the PUC relating to electric utilities, arrearages for electric service need not be paid if the Welfare Official notifies the electric company that the City of Somersworth guarantees payment of average electric bills as long as the client remains eligible for general assistance.
- b. Restoration of Service.** When utility service has been terminated and the Welfare Official has determined that alternative utility service is not available and alternative shelter is not feasible, arrearages will be included
-

in “need” when restoration of services is necessary to ensure the health and safety of the client household. The Welfare Official may negotiate with the utility for payment of less than the full amount of the arrears and/or may attempt to arrange a repayment plan to obtain restoration of services.

When electric service has been terminated and restoration is required, arrearages may either be included as set forth in the above paragraph, or may be paid in accordance with a reasonable payment plan entered into by the client and the electric company. The Welfare Official may hold the client accountable for the payment arrangement for as long as the client continues to request general assistance on a regular basis. Payment of a payment plan may be a required element of a notice of decision or case plan.

3. **Food.** The amount included as “need” for food purchases will be in accordance with the most recent standard Supplemental Nutrition Assistance Program (SNAP) (formerly known as food stamps) allotment, as determined under SNAP administered by the New Hampshire Department of Health and Human Services. An amount in excess of the standard food allotment may be granted if one or more members of the household needs a special diet, as verified by the Welfare Official, the documented cost of which is greater than can be purchased with the family’s allotment of SNAP See Appendix A. Food vouchers may not be used for alcohol, tobacco or pet food.
 4. **Household Maintenance Allowance.** Clients may include, in calculating “need,” the cost of providing personal and household necessities determined by the Welfare Office and used consistently for individuals and families. See Appendix A. Need allowance for diapers shall be calculated based on usage.
 5. **Telephone.** If the absence of a telephone would create an unreasonable risk to the client’s health or safety or for other good cause as determined by the Welfare Official, the lowest available basic monthly rate will be budgeted as “need”.
 6. **Transportation.** If the Welfare Official determines that transportation is necessary (e.g., for health or medical reasons, to maintain employment, or to comply with conditions of assistance) “need” should include the cost of public transportation, where available. If, and only if, the transportation need cannot be reasonably provided by alternative means, such as public transportation or volunteer drivers, a reasonable amount for car payments and gasoline should be included as part of “need” when determining eligibility or amount of aid.
 7. **Maintenance of Insurance.** In the event that the Welfare Official determines that the maintenance of medical insurance is essential, a client may include as “need” the reasonable cost of such premiums, especially in the event that insurance payments are less than the cost of prescriptions.
 8. **Emergency and Other Expenses.** In the event that the client has the following current expenses, the actual cost shall be included as emergency and other expenses to determine eligibility and amount of assistance:
-

- a. **Medical Expenses.** The Welfare Official shall not consider including amounts for medical, dental or eye services unless the client can verify that all other potential sources have been investigated and that there is no source of assistance other than local welfare. Other sources to be considered shall include state and federal programs, local and area clinics, area service organizations and area hospital indigent programs designed for such needs. When a client requests medical service, prescriptions, dental service or eye service, the local Welfare Official may require verification from a doctor, dentist or person licensed to practice optometry in the area, indicating that these services are absolutely necessary and cannot be postponed without creating a significant risk that the client's well-being will be placed in serious jeopardy. This Welfare Official will consider only those medications that are considered life-saving/sustaining and the New Hampshire Division of Health and Human Services Medicaid Program would consider reimbursable. Generic medications must be used unless specified otherwise by a licensed medical provider. The Welfare Official will not normally authorize assistance for medications which would not meet the criteria of treating a diagnosed life-threatening medical condition.
- b. **Clothing.** If the client has an emergency clothing need which cannot be met in a timely fashion by other community resources (i.e.: Salvation Army, Red Cross, church group), the expense of reasonably meeting that emergency clothing need will be included.
- c. **Legal Expenses.** Except for those specifically required by the statute, no legal expenses, including fines/citations, will be included in "need".
- d. **Miscellaneous.** Normally, cost to prevent repossession of any kind, moving expenses, storage charges, household items and any other non-essential expenses as determined by the Welfare Office, shall not be considered allowable expenses.

9. **Unusual Needs Not Otherwise Provided For in These Guidelines.** If the Welfare Official determines that the strict application of the standard of need criteria will result in unnecessary or undue hardship (e.g. needed services are inaccessible to the client), such official may make minor adjustments in the criteria, or may make allowances using the emergency need standards state in Section VI(E)(3) of these guidelines. Any such determination and the reasons therefore, shall be stated in writing in the client's case record.

10. **Shared Expenses.** If the client household shares shelter, utility, or other expenses with a non-client (i.e.: is part of a residential unit), then need should be determined on a pro rata share, based on the total number of adults in the residential unit (e.g.: three adults in a residential unit, but only one applies for assistance-shelter need is 1/3 of shelter allowance for household of three adults).

11. **Payment Levels for Allowable Expenses.** When adopting these guidelines, the City of Somersworth shall establish payment levels for various allowable expenses which shall be based on actual local market conditions and costs. The payment levels shall be reviewed

by the Welfare Office annually and modifications presented to the City Manager where market conditions have changed. RSA 165:1, II.

F. Income

In determining eligibility and the amount of assistance, the standard of need shall be compared to the available income/assets. Computation of income and expenses will be by the week or month. The following items will be included in the computation:

- 1. Earned Income.** Income in cash or in-kind earned by the client or any member of the household through wages, salary, commissions, or profit, whether self-employed or as an employee, is to be included as income. Rental income and profits from items sold are considered earned income. With respect to self-employment, total profit is arrived at by subtracting business expenses from gross income in accordance with standard accounting principles as reported on the client's 1099 Form will be considered when determining eligibility. When income consists of wages, the amount computed should be that available after income taxes, social security and other payroll deductions required by state, federal, or local law, court ordered support payments and child care costs, and work-related clothing costs have been deducted from income. Wages that are trusteed, or income similarly unavailable to the client or client's dependents, should not be included.
 - 2. Income or Support from Other Persons.** Contributions from relatives or other household members shall be considered as income only if actually available and received by the client. The income of non-household members of the client's residential unit shall not be counted as income. (Expenses shared with non-household members may affect the level of need, however. See Section IX(E)(10) regarding determination of need in cases of non-household residential units.)
 - 3. Income from Other Assistance or Social Insurance Programs.**
 - a.** State categorical assistance benefits, OASDI payments, Social Security payments, VA benefits, unemployment insurance benefits, and payment from other government sources shall be considered income.
 - b.** Supplemental Nutrition Assistance Program (SNAP) (formerly known as Food Stamps) cannot be counted as income pursuant to federal law (7 USC 2017(b)).
 - c.** Low Income Heating and Energy Assistance Program (LIHEAP) (also known as Fuel Assistance) cannot be counted as income pursuant to federal law (42 USC 8624(f)(1)).
 - 4. Court-Ordered Support Payments.** Alimony and child support payments shall be considered income only if actually received by the client.
 - 5. Income from Other Sources.** Payment from pension, trust funds, and similar programs shall be considered income.
 - 6. Earnings of a Child.** No inquiry shall be made into the earnings of a child 14 years of age or less unless that child makes a regular and substantial contribution to the family.
-
-

7. Option to Treat a Qualified State Assistance Reduction as Deemed Income. The Welfare Office may deem as income all or any portion of any qualified state assistance reduction pursuant to RSA 167:82, VIII. The following criteria shall apply to any action to deem income under this section. RSA 165:1-e.

- a. The authority to deem under this section shall terminate when the Qualified State Assistance Reduction no longer is in effect.
- b. Applicants for general assistance may be required to cooperate in obtaining information from the Department of Health and Human Services as to the existence and amount of any Qualified State Assistance Reduction. No applicant for general assistance may be considered to be subject to a Qualified State Assistance Reduction unless the existence and amount has been confirmed by the Department of Health and Human Services.
- c. The Welfare Official shall provide the client with a written decision which sets forth the amount of any deemed income used to determine eligibility for general assistance.
- d. Whenever necessary to prevent an immediate threat to the health and safety of children in the household, the Welfare Official shall waive that portion, if any, of the Qualified State Assistance Reduction as necessary.

G. Residents of Shelters for Victims of Domestic Violence and their Children

A client residing in a shelter for victims of domestic violence and their children who has income, and owns resources jointly with the abusive member of the client's household, shall be required to cooperate with the normal procedures for purposes of verification. Such resources and income may be excluded from eligibility determinations unless the client has safe access to joint resources at the time of application. The verification process may be completed through an authorized representative of the shelter of residence. The normal procedures taken in accordance with these guidelines to recover assistance granted shall not delay such assistance.

X. Non-Residents

A. Eligibility

Clients who are temporarily in a municipality which is not their municipality of residence and who do not intend to make a residence there are nonetheless eligible to receive general assistance, provided they are poor and unable to support themselves. RSA 165:1-c. No client shall be refused assistance solely on the basis of residence. RSA 165:1.

B. Standards

The application procedure, eligibility standards and standard of need shall be the same for non-residents as for residents.

C. Verification

Verification records shall not be considered unavailable, nor the client's responsibility for providing such records relaxed, solely because they are located in the client's municipality of residence.

D. Temporary or Emergency Aid

The standards for the fulfilling of immediate or emergency needs of non-residents and for temporary assistance pending final decision shall be the same as for residents, as set forth in Section VI (E)(3).

E. Determination of Residence

Determination of residence shall be made if the client requests return home transportation (See paragraph F below), or if the Welfare Official has reason to believe the client is a resident of another New Hampshire municipality from which recovery can be made under RSA 165:20.

1. **Minors.** The residence of a minor client shall be presumed to be the residence of his/her custodial parent or guardian.
2. **Adults.** For competent adults, the standard for determining residence shall be the overall intent of the client, as set forth in the Section I definition of "residence." The statement of a client over 18 as to his/her residence or intent to establish residence shall be accepted in the absence of strongly inconsistent evidence or behavior.

F. Return Home Transportation

At the request of a non-resident client, any aid, temporary or otherwise, to which he/she would be otherwise entitled under the standards set forth in these guidelines, may be used by the Welfare Official to cause the client to be returned to his/her municipality of residence. RSA 165:1-c.

G. Recovery

Any aid given to a non-resident, including the costs of return home transportation, may be recovered from his/her municipality of residence using the procedures of Section XVI(B).

XI. Municipal Work Programs

A. Participation

Any client of general assistance who is able and not gainfully employed may be required to work for the City of Somersworth or an appropriate local human service agency at any available bona fide job that is within his/her capacity (RSA 165:31) for the purpose of reimbursement of benefits received. Participants in the workfare program are not considered employees of the City of Somersworth, and any work performed by workfare participants does not give rise to any employee-employer relationship between the client/workfare participant and the City of Somersworth.

B. Reimbursement Rate

The workfare participant shall be allotted the prevailing municipal wage for work performed, but in no case less than the minimum wage. No cash compensation shall be paid for workfare participation; the wage value of all hours worked shall be used to reimburse the City of Somersworth for assistance given. No workfare participant shall be required to work more hours than necessary to reimburse aid rendered.

C. Continuing Financial Liability

If, due to lack of available municipal work or other good cause, a client does not work a sufficient number of hours to fully reimburse the City of Somersworth for the amount of his/her aid, the amount of aid received less the value of the workfare hours completed shall still be owed to the City of Somersworth.

D. Allowance for Work Search

The City of Somersworth shall provide reasonable time during working hours for the workfare participant to conduct a documented employment search.

E. Workfare Program Attendance

With prior notice to the welfare official, a client may be excused from workfare participation if he/she:

1. Has a conflicting job interview;
 2. As a parent or person "in loco parentis," must care for a child under the age of five. A client responsible for a child age five (5) but under 12 shall not be required to work during hours the child is not in school, if there is no responsible person available to provide care, and no other care is available;
 3. Is unable to work due to mental or physical disability, as verified by the Welfare Official;
-

4. Must remain at home because of illness or disability to another member of the household, as verified by the Welfare Official;
5. Does not possess the materials or tools required to perform the task and the City of Somersworth fails to provide them;
6. Has a conflicting interview at a service or welfare agency; or
7. Has a medical appointment or illness.

However, the workfare participant should attempt to schedule appointments so as not to conflict with the workfare program and must notify his/her supervisor in advance of the appointment. The Welfare Official may require participants to provide documentation of their attendance at a conflicting interview or appointment.

F. Workfare Hours

Workfare hours are subject to approval of the supervisor and the Welfare Official. Failure of the participant to adhere to the agreed workfare hours (except for the reasons listed above in section E) will prompt review of the client's eligibility for general assistance, and may result in a suspension or termination of assistance. See Section XIII (C)(2)(b).

G. Workers Compensation

The City of Somersworth shall provide workers compensation coverage to participants in workfare programs as required by New Hampshire State Law.

XII. Burials & Cremations

The Welfare Official shall provide for proper burial or cremation, at municipal expense, of persons found in the City of Somersworth at time of death, regardless of whether the deceased person ever applied for or received general assistance from any municipality. In such cases, assistance may be applied for on behalf of the deceased person. However, when possible, the application should be made before any burial or cremation expenses are incurred. The City of Somersworth will not pay for expenses like special rites and other expenses beyond the maximum allowance for charges required for burial or cremation.

The expense may be recovered from the deceased person's municipality of residence, or from a liable relative pursuant to RSA 165:3, II. If there are liquid assets at death from the deceased person's bank accounts, there shall be an automatic assignment to the funeral director or the person who paid for the funeral and burial or cremation of the deceased to the extent of funeral and burial or cremation costs up to \$2,000 pursuant to RSA 165:27-a. If relatives, other private persons, the state or other sources are unable to cover the entire burial/cremation expense, the City of Somersworth will pay up to \$750.00 for burial/cremation. (See Appendix A.) RSA 165:3 and RSA 165:1-b; see also RSA 165:27 and 165:27-a.

Unclaimed Body. Per RSA 611-B:25 the medical examiner shall release a dead body if unclaimed for a period of not less than 48 hours following completion of the death investigation to the overseer of public welfare in the town or, in the case of an unincorporated place, to a county commissioner, who shall decently bury or cremate the body, or, with the consent of the commissioners of the overseer, it may be sent to the medical department of a medical school or university, to be used for the advancement of the science of anatomy and surgery.

XIII. Right to Notice of Adverse Action

A. Right to a Written Decision

All persons have a constitutional right to be free of unfair, arbitrary or unreasonable action taken by government. This includes clients of general assistance whose aid has been denied, terminated or reduced. Every client shall be given a written notice of every decision regarding assistance (See Section VI(D) for notice where application is granted.) The Welfare Official will make every effort to ensure that the client understands the decision.

B. Action Taken for Reasons Other than Noncompliance with the Guidelines

1. Whenever a decision is made to deny assistance or to refuse to grant the full amount of assistance requested, a notice of the decision shall be given or mailed to the client either the same day or next work day following the making of the decision or within five (5) working days from the time the application is filled out and submitted, whichever occurs first.
 2. In any case where the Welfare Official decides to terminate or reduce assistance for reasons other than noncompliance with the guidelines, the official shall send notice at least seven (7) days in advance of the effective date of the decision to the client stating the intended action.
 3. The notice required by paragraphs 1 and 2 above shall contain:
 - a. A clear statement of the reasons for the denial or proposed termination or reduction.
 - b. A statement advising the client of his/her right to a fair hearing and that any request for a fair hearing must be made in writing within five (5) working days.
 - c. A form on which the client may request a fair hearing.
 - d. A statement advising the client of the time limits which must be met in order to receive a fair hearing.
 - e. A statement that assistance may continue, if there was initial eligibility, until the date of hearing, if requested by the claimant. Aid must be repaid if the claimant fails to prevail at the hearing.
-

C. Suspension for Noncompliance with the Guidelines

1. **Due Process.** Clients must comply with these guidelines and the reasonable request of the Welfare Official. The Welfare official must enforce the guidelines while ensuring that all clients receive due process. Clients should be given reasonable notice of the conditions and requirements of eligibility and continuing eligibility and notice that noncompliance may result in termination or suspension.
 2. **Conditions.** Any client otherwise eligible for assistance shall become ineligible under RSA 165:1-b if he/she willfully and without good cause fails to comply with the requirements of these guidelines relating to the obligation to:
 - a. Disclose and provide verification of income, resources or other material financial data, as set out in Sections VI(C) and VII of these guidelines, including any changes in this information;
 - b. Participate in the work program under Section VI(C), to the extent assigned by the Welfare Official;
 - c. Comply with the work search requirements imposed by the Welfare Official under Section VI(C); and
 - d. Within seven (7) days, apply for other public assistance, as required by the Welfare Official under Section VI(C).
 3. **First Notice.** No client otherwise eligible shall be suspended for noncompliance with conditions unless he/she has been given a written notice of the actions required in order to remain eligible and a seven (7) day period within which to comply. The first notice should be given at the time of the notice of decision and thereafter as conditions change. Additional notice of actions required should also be given, as eligibility is re-determined, but without an additional seven (7) day period unless new actions are required. RSA 165:1-b, II.
 4. **Noncompliance.**
 - a. If a client willfully and without good cause fails to come into compliance during the seven (7) day period, or willfully falls into noncompliance within 30 days from receipt of a first notice, the welfare official shall give the client a suspension notice, as set forth in section 5 below.
 - b. If a client falls into noncompliance for the first time more than 30 days after receipt of a first notice, the Welfare Official shall give the client a new first notice with a new seven (7) day period to comply before giving the client the suspension notice. RSA 165:1-b, III.
 5. **Suspension Notice.** Written notice to a client that he/she is suspended from assistance due to failure to comply with the conditions required in a first notice shall include:
-
-

- a. A list of the guidelines with which the client is not in compliance and a description of those actions necessary for compliance;
 - b. The period of suspension (See section 6 below);
 - c. Notice of the right to a fair hearing on the issue of willful noncompliance and that such request must be made in writing within five (5) days of receipt of the suspension notice;
 - d. A statement that assistance may continue in accordance with the prior eligibility determination until the fair hearing decision is made if the client so requests on the request form for the fair hearing, however, if the client fails to prevail at the hearing: 1) the suspension will start after the decision, and 2) such aid must be repaid by the client; and
 - e. A form on which the individual may request a fair hearing and the continuance of assistance pending the outcome.
6. **Suspension Period.** The suspension period for failure to comply with these guidelines shall last:
- a. Either seven (7) days, or 14 days if the client has had a prior suspension which ended within the past six (6) months, and
 - b. Until the client complies with the guidelines if the client, upon the expiration of the seven (7) or 14-day suspension period, continues to fail to carry out the specific actions set forth in the notice.
 - c. Notwithstanding section C(6)(b) above, a client who has been suspended for noncompliance for at least six (6) months may file a new application for assistance without coming back into compliance.
7. **Fair Hearing on Continuing Noncompliance.** A client who has been suspended until he/she complies with the guidelines may request a fair hearing to resolve a dispute over whether or not he/she has satisfactorily complied with the required guidelines, however no assistance shall be available under section C(5)(d) above.
8. **Compliance After Suspension.** A client who has been subject to a suspension and who has come back into compliance shall have his/her assistance resumed, provided he/she is still otherwise eligible. The Notice of Decision stating that assistance has been resumed should again set forth the actions required to remain eligible for assistance, but need not provide a seven (7) day period for compliance unless new conditions have been imposed.

XIV. Fair Hearings

A. Requests

A request for a fair hearing is a written expression, by the client, or any person acting for him/her, to the effect that he/she wants an opportunity to present his/her case to a higher authority. When a request for assistance is denied or when a client desires to challenge a decision made by the Welfare Official relative to the receipt of assistance, the client must present a request for a fair hearing to the Welfare Official within five (5) working days of receipt of the Notice of Decision at issue. RSA 165:1-b, III.

B. Time Limits for Hearings

Hearings requested by claimants must be held within seven (7) working days of the receipt of the request. The Welfare Official shall give notice to the claimant setting the time and location of the hearing. This notice must be given to the claimant at least forty-eight (48) hours in advance of the hearing, or mailed to the claimant at least seventy-two (72) hours in advance of the hearing.

C. The Fair Hearing Officer(s)

The fair hearing officer or officers may be chosen by the City Manager. The person(s) serving as the fair hearing authority must:

1. Not have participated in the decision causing dissatisfaction;
2. Be impartial;
3. Be sufficiently skilled in interviewing to be able to obtain evidence and facts necessary for a fair determination; and
4. Be capable of evaluating all evidence fairly and realistically, to explain to the claimant the laws and regulations under which the Welfare Official operated, and to interpret to the Welfare Official any evidence of unsound, unclear or inequitable policies, practices or action.

D. Fair Hearing Procedures

1. All fair hearings shall be conducted in such a manner as to ensure due process of law. Fair hearings shall not be conducted according to strict rules of evidence. The burden of proof shall be on the claimant, who shall be required to establish his/her case by a preponderance of the evidence.
 2. The Welfare Official responsible for the disputed decision shall attend the hearing and testify about his/her actions and the reasons therefore.
 3. Both parties shall be given the opportunity to offer evidence and explain their positions as fully and completely as they wish. The claimant shall have the opportunity to present his/her own case or, at the claimant's option, with the aid of others, and to bring witnesses, to establish all pertinent facts, to advance any arguments without undue interference, to question or refute testimony or evidence, including the opportunity to confront and cross-examine adverse witnesses.
-

4. A claimant or his/her duly authorized representative has the right to examine, prior to a fair hearing, all records, papers and documents from the claimant's case file which either party may wish to introduce at the fair hearing, as well as any available documents not contained in the case file but relevant to the Welfare Official's action of which the claimant complains. The claimant may introduce any such documents, papers or records into evidence. No record, paper or document, which the claimant has requested to review but has not been allowed to examine prior to the hearing, shall be introduced at the hearing or become part of the record.
5. The Welfare Official (or a duly authorized representative) shall have the right to examine at the fair hearing all documents on which the claimant plans to rely at the fair hearing and may request a 24-hour continuance if such documents contain evidence not previously provided or disclosed by the claimant. Should the client have new documentation relevant to the disputed decision, he/she may reapply for assistance and file a written withdrawal of the fair hearing request.
6. The decision of the fair hearing officer(s) must be based solely on the record, in light of these guidelines. Evidence, both written and oral, which is admitted at the hearing shall be the sole contents of the record. The fair hearing officer(s) shall not review the case record or other materials prior to introduction at the hearing.
7. The parties may stipulate to any facts.

E. Decisions

1. Fair hearing decisions shall be rendered within seven (7) working days of the hearing. Decisions shall be in writing setting forth the reasons for the decision and the facts on which the fair hearing officer relied in reaching the decision. A copy of the decision shall be mailed or delivered to the claimant and to the Welfare Official.
 2. Fair hearing decisions will be rendered on the basis of the officer's findings of fact, these guidelines and state and federal law. The fair hearing decision shall set forth appropriate relief.
 3. The decision shall be dated. In the case of a hearing to review a denial of aid, the decision is retroactive to the date of the action being appealed. If a claimant fails to prevail at the hearing, the assistance given pending the hearing shall be a debt owed by the individual to the City of Somersworth.
 4. The Welfare Official shall keep all fair hearing decisions on file in chronological order.
 5. None of the procedures specified herein shall limit any right of the client to subsequent court action to review or challenge the adverse decision.

V. Liens

A. Real Estate – RSA 165:28.

The law requires the City of Somersworth to place a lien for welfare aid received on any real estate owned by an assisted person in all cases except for just cause. (This section does not authorize the placement of a lien on the real estate of legally liable relatives, as defined by RSA 165:19.) The City Manager (or their designee) shall file a Notice of Lien with the County Registry of Deeds, complete with the owner's name and a description of the property sufficient to identify it. Interest at the rate of 6% per year shall be charged on the amount of money constituting the lien commencing one (1) year after the date the lien is filed, unless waived by the City of Somersworth.

The lien remains in effect until enforced or released or until the amount of the lien is repaid to the City of Somersworth. The lien shall not be enforced so long as the real estate is occupied as the sole residence of the assisted person, his/her surviving spouse, or his/her surviving children who are under age 18 or blind or permanently and totally disabled. At such time as the lien may become enforceable, the Welfare Official shall attempt to contact the attorney handling the real estate or estate before enforcing the lien. Upon repayment of a lien, the City of Somersworth must file written notice of the discharge of the lien with the County Registry of Deeds.

B. Civil Judgments – RSA 165:28-a.

1. The City of Somersworth shall be entitled to a lien upon property passing under the terms of a will or by intestate succession, a property settlement, or a civil judgment for personal injuries (except Workers Compensation) awarded any person granted assistance by the City of Somersworth for the amount of assistance granted by the City of Somersworth.
2. The City of Somersworth shall be entitled to the lien only if the assistance was granted no more than six (6) years before the receipt of the inheritance or the award of the property settlement or civil judgment. When the Welfare Official becomes aware of such a claim against a civil judgment, he/she shall contact the attorney representing the client.
3. This lien shall take precedence over all other claims.

XVI. Recovery of Assistance

The Welfare Official shall seek to recover money expended to assist eligible clients. There shall be no delay, refusal to assist, reduction or termination of assistance while the Welfare Official is pursuing the procedural or statutory avenues to secure reimbursement. Any legal action to recover must be filed in a court within six (6) years after the expenditure. RSA 165:25.

A. Recovery from Responsible Relatives

The amount of money spent by the City of Somersworth to assist a client who has a father, mother, stepfather, stepmother, husband, wife or child (who is no longer a minor) of sufficient ability to also support the client, may be recovered from the liable relative. Sufficient ability shall be deemed to exist when the relative's weekly income is more than sufficient to provide a reasonable subsistence compatible with decency and health. The Welfare Official may determine that "in kind" assistance or the provision of products/services to the client is acceptable as a relative's response to liability for support. Written notice of money spent in support of a client must be given to the liable relative. The Welfare Official shall make reasonable efforts to give such written notice prior to the giving of aid, but aid to which a client is entitled under these guidelines, shall not be delayed due to inability to contact possibly liable relatives. RSA 165:19.

B. Recovery from the Municipality of Residence

The Welfare Official shall seek to recover from the municipality of residence the amount of money spent by the City of Somersworth to assist a client who has a residence in another municipality. Written notice of money spent in support of a client must be given to the Welfare Official of the municipality of residence. In any civil action for recovery brought under RSA 165:20, the court shall award costs to the prevailing party. RSA 165:19 and RSA 165:20. (See RSA 165:20-a providing for arbitration of such disputes between communities.)

C. Recovery from Former Client's Income

A former client who is returned to an income status after receiving assistance may be required to reimburse the City of Somersworth for the assistance provided, if such reimbursement can be made without financial hardship. RSA 165:20-b.

D. Recovery from State and Federal Sources

The amount of money spent by the City of Somersworth to support a client who has made initial application for SSI and has signed HHS FORM 151 "AUTHORIZATION FOR REIMBURSEMENT OF INTERIM ASSISTANCE" shall be recovered through the SSA and the New Hampshire Department of Health and Human Services. Prescription expenses paid by the City of Somersworth for client who have applied for Medicaid shall be recovered through the New Hampshire Department of Health and Human Services if and when the client is approved for medical coverage.

E. Delayed State Claims

For those clients of general assistance deemed eligible for state assistance, New Hampshire Department of Health and Human Services shall reimburse the City of Somersworth the amount of general assistance as a result of delays in processing within the federally mandated time periods. Any claims for reimbursement shall be held until the end of the fiscal year and may be reimbursed on a pro-rated basis dependent upon the total claims filed per year. RSA 165:20-c. A Form 340 "REQUEST FOR STATE REIMBURSEMENT" may be obtained from the New Hampshire Department of Health and Human Services for this purpose.

XVII. Application of Rents Paid by the City of Somersworth

Whenever the owner of property rented to a person receiving general assistance from the City of Somersworth is in arrears in sewer, water, electricity, or tax payments to the City of Somersworth, the City of Somersworth may apply the assistance which the property owner would have received in payment of rent on behalf of such assisted person to the property owner's delinquent balances, regardless of whether such delinquent balances are in respect of property occupied by the assisted person. RSA 165:4-a.

A. Payment Arrears

A payment shall be considered in arrears if more than thirty (30) days have elapsed since the mailing of a bill, or in the case of real estate taxes, if interest has begun to accrue pursuant to RSA 76:13. (RSA 165:4-a)

B. Order of Priority

Delinquent balances will be offset in order of the following priority: 1) Water, 2) Sewer, and 3) Taxes.

C. Procedure

1. The Welfare Official will issue a voucher on behalf of the tenant to the landlord for the allowed amount of rent. The voucher will indicate any amount to be applied to a delinquent balance owed by the landlord, specifying which delinquency and referring to the authority of RSA 165:4-a.
2. The Welfare Official will issue a duplicate voucher to the appropriate department (i.e.: tax collector, sewer department, water precinct, municipal electric facility), which shall forward the voucher to the treasurer or finance director for payment. Upon receipt of payment, the department will issue a receipt of payment to the delinquent landlord.

APPENDIX B

CITY OF SOMERSWORTH

Explanation for Disqualification for Noncompliance with Guidelines

NH RSA 165:1-b

The following is written to help explain and standardize the process of “Disqualification for Noncompliance with Guidelines,” RSA 165:1-b.

Once you determine that a client is eligible and you provide assistance, you can impose conditions on the person's continued receipt of assistance. The conditions may require the client to comply with written guidelines relating to:

- 1) Disclosure of income and resources,
- 2) Participation in a work program,
- 3) Conducting an adequate work search, and/or
- 4) Applying for public assistance through other agencies as outlined in the Model Guidelines.

Willful failure to comply with the conditions imposed can lead to the suspension of a client's assistance, but there is a process which must be followed. Prior to suspension, a client must be given written notice from the local welfare office of the specific actions which must be taken and the client must be given at least seven (7) days in which to comply prior to suspension. There can be no exception.

The **Notice of Decision** form may be used to grant an assistance application and *simultaneously* give notice of the conditions imposed on the client's continued receipt of assistance. The **Notice of Decision** form may also be used to give notice of the conditions that must be complied with, if that notice was not given at the time assistance was granted or if the conditions to be complied with have changed.

If a client does not comply with the conditions in the time period allowed, he/she can be "sanctioned" and his/her assistance suspended. How long the suspension lasts depends on whether there have been other suspensions within the previous 6 months and whether there are actions the client can take to come into compliance. A written decision (the **Notice of Decision** form can be used) must be given notifying the client of the term of the suspension, the specific reason(s) for the suspension citing the guidelines, any action(s) which must be taken to come back into compliance, and notice of the right to request a fair hearing within 5 days of receipt of the notice.

If this is a first sanction, assistance may be suspended for seven (7) days. If it is possible for the client to take action(s) to come into compliance, then assistance can remain suspended after the seven (7) day period *and until* such time as the client takes the action(s) required to come into compliance (e.g. client only made 3 work search contacts instead of 10-the client must complete 7 more work search contacts; e.g. the client failed to apply for SNAP-if the client applies within the initial 7 day suspension, then the suspension ends after 7 days, otherwise, the suspension continues until the client applies). After the 7 day suspension period, the sanction must be lifted upon compliance with the condition.

If this is the second sanction (or more) for the client within a 6 month period, assistance may be suspended for 14 days. The reason for the sanction need not relate to previous sanctions to extend the suspension period to 14 days. If it is possible for the client to take action to come into compliance, then assistance can remain suspended after the 14 day period and until compliance, as described above.

If more than six months elapses between the first and second sanctions, follow the procedures for a first sanction.

All notices of decision telling a client that he/she has been suspended must provide an opportunity for the client to request a fair hearing. If the client timely requests a hearing, the Welfare Official must provide the client with the option of continuing to receive assistance consistent with any prior eligibility determination until the fair hearing decision is made. If there is a dispute over whether the client has taken the actions required to come back into compliance, the client must be

provided the opportunity for a fair hearing on that issue, but there shall be no assistance provided pending the outcome of that hearing.

The Welfare Office is not required to accept applications for assistance during a period of suspension.

APPENDIX C

CITY OF SOMERSWORTH ETHICS RESOLUTION

(New Hampshire Local Welfare Administrators Association)

Purpose: The purpose of this ethics resolution is to acknowledge the varying dynamics of municipalities across the state, including proximity to assistance services, and to establish a fair and equitable agreement on residency in relation to permanent and emergency temporary housing placement outside of a municipality of origin. This resolution will provide increased collaboration and consistent liability expectations, further establish general assistance best practices, and foster increased municipal support for temporary emergency assistance by clarifying municipal liability due to temporary emergency housing placements.

The following standards should be observed when communicating with a current or potential client for general assistance and collaborating with any municipality:

- I. A welfare official should not attempt to end, or avoid acquiring, local welfare financial responsibility by encouraging, persuading or pressuring a person:
 - A. Not to apply for assistance, or to discontinue residence in the municipality in which they currently reside, or
 - B. To establish a residence in another municipality.

 - I. A welfare official should make a good faith effort to contact the welfare official of another municipality when a person is being directed to them and explain why the person may be inquiring and/or applying to their municipality. This applies whether or not the welfare official has accepted initial financial responsibility for the person. Applicable state confidentiality statutes shall apply. Temporary, non-resident assistance may be necessary to provide for a person even if that person is being directed to another municipality, depending on the circumstances, including transportation and timing of need for assistance (165:1-c Nonresidents).

 - I. Welfare officials should not grant any assistance that he/she knows will be used to relocate or help establish the client's residence in another municipality, unless:
 - A. A good faith effort is made to explore local resources, after which it is discovered that none are reasonably available.
 - B. The person has indicated a need and/or intent to move to another municipality for nonlocal welfare related reasons.
 - C. An assessment of financial sustainability for proposed first month's rental assistance into a new housing has been completed by the municipality of origin.
-

7. When a client of general assistance decides of their own volition to relocate to another municipality, the welfare official from the municipality of origin should contact the welfare official of the other municipality in advance of the move and pay up to one month's eligible assistance following the move, if necessary, due to known or unanticipated circumstances. The municipality of origin should work with the receiving municipality and pay reasonable housing costs.
 - A. Persons who are sanctioned by municipal welfare and arrive in another community are not the liability of the community where the sanction originated. However, arrangements may be made between the two communities to have the sanction resolved.
 - B. When a person contacts a welfare official in a municipality in which they do not currently reside, or appears in a municipality, for the sole purpose of applying for assistance to avoid applying for or pursuing assistance in their municipality of origin, the welfare official may contact the official in the municipality of origin to determine a proper course of action. This may include establishing an appointment with the municipality of origin, the municipality of origin accepting 30-day local welfare liability, or other agreed upon courses of action.
 7. According to RSA 126-A:30, persons receiving short-term emergency housing (e.g., shelter or motel) shall continue to maintain their legal residence in the municipality of origin, for local welfare purposes, as it existed at the time of entering the emergency housing. Therefore, the New Hampshire Local Welfare Administrators' Association supports and encourages the following municipal local welfare best practices:
 - A. A person does not gain or lose residency while in emergency housing, hospital or treatment program center until such a time said person has acquired more permanent residence (i.e., apartment).
 - B. A person that leaves emergency housing of their own free will and remains in a situation of homelessness, or is exited from the emergency housing for non-compliance or policy violations, for local welfare purposes, remains a resident of the municipality of origin for thirty (30) days.
 - C. A person assisted by a municipality, or other assistance providers, with emergency housing assistance in a motel in another municipality, who then self pays for a consecutive thirty (30) days without municipal or other provider assistance should, for local welfare purposes, transition residency to the new municipality.
 - D. Temporary urgent assistance may need to be provided to meet basic needs of transient individuals or residents of other municipalities. Municipalities should communicate and coordinate assistance options with each other, including reimbursements from municipalities of origin (RSA 165:20-a), when it is determined unreasonable for the person to physically return to the municipality of origin due to transportation, timing of need for assistance or residency is unclear.
 - I. If good faith efforts to abide to any parts of this resolution agreement are unsuccessful, applicable state statues shall prevail.
-
