Richard brought up the F.R.E.S.H. handout.

- This is a systematic approach to new constructions and addition to old buildings
- Possible addition to HDC Standards of Review.
- we have our own control of Std of Rev.
- City Council does not vote on Std. of Rev.

→ Bring up at next meeting to see if we want to add in the F.R.E.S.H. approach

Members will take a look at the F.R.E.S.H. doc. and talk about it next time

Signs:

Large signs downtown include "Historic" while others Welcome To Somersworth signs do not.

- May need more signs to add Clarity
- Historic street sign option still is most clear
- And more clarity to homeowners.
- limitation may be the City.
- may need to start doing it one at a time, as street signs are updated
- what is the costs of street signs?
- may be more cost effective to do a few larger signs.

Adjourn: 6:44 pm
