New Business
1. **Review of Parking Ordinances Specific to "In Town" Area.** City Staff and Chief David Kretschmar were asked by Councilor Witham to look at reviewing Parking Ordinances. The Chief and Captain Timmons made some recommendations to the Committee, specific to the All Day Parking in the in-town area.

    Paul Robidas asked that Residents have the opportunity to comment on any of these downtown changes, stating we go through and make these changes and a resident disagrees and never has a chance to express their opinions. It was explained that a Public Hearing is held at the City Council level.

    Ken Vincent feels that business employees who work in the downtown area have nowhere to park. He feels we need to have an area for "all day parking" to accommodate those folks.

    Shanna Saunders thinks we should have a map created reflecting these ordinance suggestions. The Committee was in agreement, a map would help explain the changes.

    A discussion followed regarding what could be accomplished today. It was suggested to Chairman Timmons that the matter be tabled.

    Paul Robidas motioned to Table, Seconded by Keith Hoyle to Table. The plan is to have map of the recommended changes presented at the next meeting. Shanna

Keith Hoyle made to adjourn, seconded by Paul Robidas
