

VISION 2020 COMMITTEE

Meeting was called to order by Mayor Dana Hillard on 11/13 6:05 pm

Present: Ed Levasseur Chair, Nancie Cameron vice Chair, Jenne Holmes, Shauna Saunders, Lindsay Gagnon, Coty Donahue, Robert Gadomski

The main purpose of this meeting was to regroup the group and give focus for the next year and for the presentation to the City Council. The purpose of the 20/20 group is to help get the word out there that Somersworth is one of the most desirable communities of the seacoast. The master plan was developed from the stand point of recreation, housing and education. We need to develop ways to promote 20/20 and what has been checked off the master plan from the inception of it in 2008 till the present. We want to make the term vision 20/20 a kitchen table word, by promoting it on channels 22/95 what have been our accomplishments up until now. Marketing the City on the new city website, go through the master plan and check off what has been done. Air a few segments on what has been accomplished, in the areas of education, business, and recreation.

At the end of the year 2019 plan some type of celebration to celebrate the master plan and all that has been done and achieved. Talk to people of the community about past and present where we are, talk about the three major points: raise a family here, start a business, educate your children. Show the differences from where we were to where we are now that is the focus of this group.

We went through the list of attendees and updated it:

City Council: Ed Levasseur, Nancie Cameron, and Jon McCallion

City Representative: Shauna Saunders
