

BULKY WASTE CHARGES

Bulky waste items must have a 'bulky waste sticker' affixed whether they are to be picked up curbside or dropped off at the Public Works Facility, in accordance with the metal/non-metal designations below. Stickers can be purchased at City Hall or the Somersworth Public Library during regular business hours. Effective 4/1/04, the stickers cost \$4.00 each and cover 50 pounds of waste. Items that contain Freon (air conditioners, refrigerators, etc.) also will require a \$10.00 Freon sticker.

Listed below are **examples** of various items and the *estimated* cost to dispose of them. Every item is unique and the cost to dispose of it will depend on the weight of the item. One sticker is required for every 50 pounds.
